HEASANTS TRAINING

TO SUIT MAN'S TASTE

Long Lake, Pa., Sept. 20.
HERE is no bit of game ander the sum that can compare with the flaky and that can compare with the flaky did because of the pheasant, and sports on from time immemorial have vainly ed to develop a bird with more rissue. Some have are reveral hunting properties, and the pheasants are now deing at man could not by persistent dram, not, they are bring into play the rather than the exception.

In that the pheasants are now deing at man could not by persistent dram, not, they are bring into play the rather than the exception.

In that two-pound grouse will be the rather than the exception.

In needlocally are the birds carrying their physical culture for the benefit mankind that all the stumps and logs, the mankind that all the stumps and logs the remains have been hammered to pulpy and the pheasants have been hammered to pulpy and the pleasants have been hammered to pulpy and the pleasants have been hammered to pulpy and the pleasants have been hammered to p
